Mission

To support & assist the ministry of local churches:

- in nurturing growing believers ...
- stimulating mentoring relationships
- providing "tools" for effective "disciple-making" in our local "Jerusalem" ... and even unto the ends of the earth! – Acts 1:8

Rev. Thom Cunningham

New England Regional
Representative
New Tribes Mission

For many years Thom has been partnering with local churches in Europe and the USA through teaching his seminars: "Each One REACH One - Each One TEACH One", and "Opening the Scriptures" (an introduction to the chronological approach to evangelism and discipling), as well as "Foundations" - a course on the basics of discipleship. His burden and passion is to assist churches in mobilizing believers to make disciples both at home and to the ends of the earth.
